Erratum

In the Editorial "Gradient Echoes: Simplified," by Joseph F. Norfray and Juan M. Taveras (*AJNR* **1989**;10:209-210), reference 1 was inadvertently dropped from the Reference section during the production process. That reference is as follows: Edelman RR, Buxton RB, Brady TJ. Rapid MR imaging. In Kressel HY, ed. *Magnetic resonance annual, 1988*. New York: Raven **1988**;189-216. The printer regrets this error.
