Errata

The following are corrections to the January issue article "Neuroradiologic Evaluation of Patients with Acute Stroke Treated with Recombinant Tissue Plasminogen Activator," Wolpert SM, Bruckmann H, Greenlee R, et al., *AJNR: Am J Neuroradiol* 1993;14:3-13:

On page 3, line 10 of the abstract should read "The presence of a HMCAS was 100% specific for an occluded artery. . ."

On page 11, line 25 of the second column, the word "deficient" should be "deficit."

On page 13, line 10 of the second column, the word "perfusion" should be "recanalization."
